

**MICRO-TUNNELING PROJECTS**

Project #	Project Name	Main Contractor	End Client	Executed Length (LM)	Start Date	End Date	Status
177	Installation of 42" Casing Steel Pipe then insertion of 28" inside casing pipe in different location at Al Khobar Area.	Saudi Services for Electro Mechanic Works Co. (CEPCO)	CWCC	320 m	-	-	Yet to Start
176	Installation of Ø34" then insertion of Ø600mm Ductile pipes Riyadh City	Salat For Contracting Co	Amana Eastern Province	155 m	-	-	Yet to Start
173	Installation of DN500 OD 860mm Reinforced Concrete Jacking Pipe lined with GRP in Riyadh City..	Salat For Contracting Co	Amana Eastern Province	468 m	-	-	Yet to Start
171	Installation of DN1400 Reinforced Concrete Jacking Pipe lined with GRP in Riyadh City..	Alkhoreyef Water & Power Technologies	NWC	1,020 m	19/12/2019	-	Ongoing
169	Installation of DN2000 RCJ lined with GRP, with OD. 2400 Pipe underneath Omar Bin Al-Khattab in Dammam City.	Abid A. Al-Habashi Cont. Est.	Amana Eastern Province	160 m	18/12/2019	30/01/2020	Completed
168	Installation of Installation of DN800 Reinforced Concrete Jacking Pipe with OD1090 at kilo 14 in Jeddah City.	Infrastructure Services for Contracting.	National Water Co	506 m	05/01/2019	-	Ongoing
167	Installation of Ø30", Ø48" & Ø48" then insertion of Ø500mm Ø800mm, Ø900mm GRP pipes under neath Aramco Pipe line in Dammam City	Salem Saleh Al-Hareth Est.	Ministry Of Water	600 m	13/11/2019	-	Ongoing
166	Installation of DN1400mm with OD1720mm Reinforced Concrete Jacking Pipe Lined with GRP in Dammam City.	Abid A. Al-Habashi Cont. Est.	Amana Eastern Province	240 m	25/02/2019	-	ongoing
164	Installation of Ø72 inch steel casing pipe in Al-Ahsa City.	Mapa Construction and Trade Co. INC	Saline Water Conversion Corporation (SWCC)	241 m	12/09/2019	12/12/2019	Completed
161	Installation of DN1200 with O.D1490 mm GRP Pipe at Alhassa area in Khafof	Middle Engineering Construction CO	Ministry of water, environment and Agriculture	440 m	03/08/2019	-	ongoing
159	Installation of DN500 RCJ Pipe with lined with GRP underneath intersection with southern ring road at Dirab Road in Riyadh City.	Maec For Contracting Est.	NWC	71 m	01/07/2019	28/08/2019	Completed
158	Installation of DN600 with O.D860 mm Pipe Lined with GRP at Abhur area in Jeddah City.	Mapa Construction and Trade Co. INC	NWC	60 m	27/05/2019	20/06/2019	Completed
154	Installation of Ø30" and Ø34" Steel Casing Pipe then insertion GRP pipe inside the casing in Dammam City.	Alkhorayef Water & Power Technologies	NWC	400 m	11/06/2019	-	ongoing
151	Installation of Ø34" Steel Casing Pipe then insertion PVC pipe inside the casing in Dammam City.	Abid A. Al-Habashi Cont. Est.	Amana Eastern	184 m	25/03/2019	17/09/2019	Completed
149	Installation of DN2000mm Reinforced Concrete Jacking Pipe without Liner in Makkah City.	Tabat Construction Company Ltd.	NWC	75 m	17/03/2019	02/06/2019	Completed
148	Installation of DN1800mm with OD2400mm Reinforced Concrete Jacking Pipe Lined with GRP at Abo Hadriya in Dammam City.	Abid A. Al-Habashi Cont. Est.	Amana Eastern	280 m	11/07/2019	13/09/2019	Completed
143	Installation of DN 2000 MM RCJP without liner in Jeddah city	Al Rashid Al Hak Saudi Company Ltd	Jeddah Municipality	250 m	06/02/2020	-	Ongoing
142	Installation of DN1400 Reinforced Concrete Jacking Pipe Lined with GRP at Badar area in Riyadh.	Abdullah Al-Saikhan Co.	NWC	874 m	20/02/2019	08/12/2019	Completed
141	Micro tunneling & shaft works for the Installation of DN1400 Reinforced Concrete Jacking Pipe with 1738 mm O.D. in Alkahrij Riyadh.	Internaltional Fedak Co .	NWC	4,274 m	-	-	Yet to Start
140	Microtunneling & shaft works for the installation of DN1200 and DN 700 RCJP in Buraidah city	IBN Omariah Contracting Co.	Ministry of water, environment and Agriculture	3,479 m	16/12/2019	-	On-going
139	Installation of 68" Steel Casing Pipe according to the contract in Rabigh City.	Alishar Contracting Corp.	NWC	120 m	26/11/2018	31/12/2018	Completed
137	Installation of 30" Steel Casing Pipe then insertion of GRP pipe DN350 in Riyadh City.	Golden Developer Company Ltd.	NWC	94 m	12/06/2018	05/01/2019	Completed
136	Installation of 56" Steel Casing Pipe then insertion of Ductile pipe DN1000 in Dammam City.	Top Summit Cont.	Ministry of water, environment and Agriculture	140 m	12/01/2019	28/02/2019	Completed

Project #	Project Name	Main Contractor	End Client	Executed Length (LM)	Start Date	End Date	Status
133	Installation of DN1400 Reinforced Concrete Jacking Pipe with 1680mm O.D. in Makkah City.	Bazar Al-Khaleej Co.	NWC & SEC	69 m	01/11/2018	28/11/2018	Completed
127	Installation of DN1200 Reinforced Concrete Jacking Pipe with 1498mm O.D. in Riyadh.	Khaled Al-Hajri for Contracting Co.	NWC & SEC	178 m	09/04/2018	20/10/2018	Completed
125	Installation of DN500 and OD860 Reinforced Concrete Jacking Pipe in Riyadh City	Desert Riyadh Contracting Est.	NWC & SEC	518 m	10/01/2018	-	On-going
124	Installation of DN2000 Reinforced Concrete Jacking Pipe at Khrash Road in Riyadh.	Abdullah Al-Saikhan & Sons Trading Company	NWC & SEC	170 m	22/09/2018	11/10/2018	Completed
123	Shaft works and Micro tunneling works: Installation of DN2000 Reinforced Concrete Jacking Pipe at Harmain Road in Jeddah.	Civil & Electrical Projects Contracting Co.	SEC	190 m	-	-	Yet to Start
122	Shaft works and Micro tunneling works Installation of DN600 Reinforced Concrete Jacking Pipe in Jeddah City.	Eammar Infrastructure Contracting Co. Ltd	Ministry of Water	226 m	23/12/2019	20/06/2019	Completed
121	Shaft works and Micro tunneling works Installation of DN800 and DN900 Reinforced Concrete Jacking Pipe in Jeddah City.	Eammar Infrastructure Contracting Co. Ltd	Ministry of Water	530 m	-	-	Yet to Start
119	Supply & Installation of 48" Steel Casing pipe then insertion of Ductile pipe at Suder area.	Abdul Ali Al-Ajmi Co.	NWC	86 m	30/05/2018	30/06/2018	Completed
118	Installation of 30" Steel Casing pipe then insertion of GRP pipe at Dammam Road in Alkhobar City..	Gulf Water Contracting Company.	NWC	122 m	13/05/2018	30/06/2018	Completed
116	Installation of Ø34", Ø48" & Ø30" then insertion of Ø150mm Ø600mm, Ø800mm & Ø1000mm GRP pipes @ Z-Road in KAEC.	Salem Saleh Al-Hareth Est.	King Abdullah Economic City (KAEC)	200 m	08/01/2018	10/11/2018	Completed
115	Installation of Ø48" and Ø30" then insertion of Ø800mm, Ø900mm & Ø400mm GRP pipes at Al-Khobar.	Water and Power Projects Contracting Co	Ministry of Water	700 m	01/01/2019	11/12/2019	Completed
113	Micro tunneling works Installation of DN2400 Reinforced Concrete Jacking Pipe in Dammam City.	Eammar Infrastructure Contracting Co. Ltd	Amana Eastern Provision	674 m	17/04/2018	03/11/2019	Completed
110	Installation of DN600mm RCJ with outside diameter 860mm pipe lined with GRP underneath king Abdul-Aziz Road in Jeddah.	Mohammed Ali Al-Swailem Co. for Trading and contracting (MASCO)	Ministry of Water	80 m	17/04/2018	16/09/2018	Completed
109	Installation of Ø42" or Ø48" then insertion of Ø700mm GRP pipes underneath Jeddah road in Jubail City.	Salem Saleh Al-Hareth Est.	Ministry of Water	75 m	17/04/2018	05/12/2018	Completed
102	Installation of DN800 and DN600 Reinforced Concrete Jacking Pipe at Quraish Road & Khalifa bin Mohammed Road in Riyadh City..	Alkhoreyef Water & Power Technologies	NWC	1,200 m	10/08/2017	15/07/2018	Completed
101	Micro tunneling and HDD work for installation of O.D160mm HDPE & Installation of Ø30", Ø48" steel casing pipes and DN1000 RCJ pipes then insertion of DN500mm, DN1000 GRP pipes @KAEC.	Salem Saleh Al-Hareth Est.	King Abdullah Economic City (KAEC)	1,462 m	09/01/2017	01/05/2018	Completed
100	Supply & Installation of 34" steel casing pipes, then insertion of 250mm GRP pipes underneath Azizyah road in Al-Khobar.	Mohammed Ali Al-Swailem Group (MASCO)	Ministry of water	116 m	01/01/2018	27/01/2018	Completed
096	Installation of DN1200 Reinforced Concrete Jacking Pipe with 1490mm O.D. underneath Madinah Road in Makkah City.(3 Parallel Crossings each 57 meters).	Yahia Omer Abdulmoatty & Partner Ltd. Co.	NWC & SEC	189 m	16/07/2017	07/10/2017	Completed
095	Installation of DN2000 Reinforced Concrete Jacking Pipe with OD2400 at Quraish Road & Khalifa bin Mohammed Road in Riyadh City.	Abdullah Al Shikhan & Sons Trading & Company	NWC & SEC	450 m	01/08/2017	31/12/2018	Completed
094	Installation of DN1200 Reinforced Concrete Jacking Pipe with 1490mm O.D. underneath Qurash Road in Riyadh City.	Khaled Al-Hajri for Contracting Co.	NWC & SEC	90 m	27/05/2017	16/07/2017	Completed
093	Installation of Ø32" Steel Casing Pipe then insertion of DN300mm GRP pipe underneath Abu Bakar Siddique Street.	Al-Manar Arabian Corp.	NWC & SEC	496 m	03/07/2017	14/08/2018	Completed

Project #	Project Name	Main Contractor	End Client	Executed Length (LM)	Start Date	End Date	Status
090	Supply & Installation of DN1200 Reinforced Concrete Jacking Pipe O.D 1490mm lined with HDPE in Taif City.	TA INFRA Projects Saudi Ltd. Co.	NWC/MTCBU	77 m	17/07/2017	22/08/2017	Completed
088	Installation of DN600 Reinforced Concrete Jacking Pipe Lined with GRP underneath Madinah Road in Jeddah City.	Eammar Infrastructure Contracting Co. Ltd.	NWC	116.74 m	01/03/2017	21/04/2017	Completed
082	Installation of DN2000 Reinforced Concrete Jacking Pipe with 2422mm O.D. underneath Abu Hariyah H.W. and Underneath Azizyah Road in Al-Khobar.	ANABEEB	NWC	232.5	01/10/2016	10/06/2017	Completed
081	Installation of DN 1000, 1200 & 1500 Reinforced Concrete Jacking Pipe Sewage line for King Abdullah Sports City, Underneath King Abdul Aziz Road, Jeddah.	Al-Manar Arabian Corp.	NWC - JCBU	1,307 m	26/12/2017	19/11/2018	completed
076	Installation of DN500 Reinforced Concrete Jacking Pipe lined with HDPE pipe at Khurais & Nidwa Road in Riyadh City.	Abdullah Al-Saikhan Co.	NWC	336	13/08/2016	30/04/2017	Completed
074	Shaft works & Micro-tunneling works Installation of DN800 OD 1090mm Reinforced Concrete Jacking in Jeddah city.	Saudi Pan Kindom Co. (SAPAC)	NWC	1290	04/06/2016	-	On-going
069	Supply and installation of DN 1000 RCJ Pipe to construct force pipe line for the storm water drain system in Pond 3 and Pond 4 locations of King Abdulaziz International Airport, Jeddah.	Saudi Binladin Group	King Abdulaziz International Airport	342	18/06/2017	-	On-going
064	Installation of DN1200, OD1488mm Reinforced Concrete Jacking Pipe lined with HDPE pipe for sewage line at Zahrat Al-Omra in Makkah city.	Saudi Pan Kindom Co. (SAPAC)	NWC	730.45	10/10/2015	13/02/2016	Completed
063	Installation of DN600 OD 860mm & DN800 OD1090 Reinforced Concrete Jacking Pipe lined with GRP pipe for sewage line in Jeddah city.	Al-Angari Holding Company	NWC	929	24/11/2015	04/08/2018	Completed
061	Install of DN800 & DN 1400 RCJ Pipes for sewage line in Yanbu City.	Emmar infrastructure Company	NWC	198.2	13/09/2015	29/10/2015	Completed
060	Supply, Welding & Installation of Ø48" Steel Casing Pipe then Insertion of Ø900mm D.I. Pipe for sewage line in Al-Khobar city.	Ahmed Emara Co.	NWC	80	31/07/2015	06/09/2015	Completed
057	Supply & installation of Ø34" steel casing pipe then insertion of DN400mm GRP pipe for sewage network line underneath Ibn Hazm road in Riyadh.	Seder Company	NWC	28	22/06/2015	06/07/2015	Completed
056	Installation of DN 500, 700, 900, 1200 & 1500 Reinforced Concrete Jacking Pipe for sewage line of King Abdullah Sport city, underneath King Abdul Aziz Road, Jeddah.	Al-Manar Arabian Corp.	NWC - JCBU	2,832 m	14/08/2015	28/02/2017	Completed
052	Supply, welding & Installation of 34" dia Steel Casing pipe then insertion of 600mm dia DI pipe in Adaghaythir Road, Riyadh.	Cesra Company Limited	NWC-RCBU	638 m	20/02/2015	29/09/2015	Completed
051	Installation of DN2000 RCJ Pipe Line for sewage line in Harmain road underneath Makkah-Jeddah Highway in Makkah city..	Saudi Tumpene Co.	NWC-MCBU	196 m	10/01/2015	22/03/2015	Completed
050	Supply & Installation of 34" Steel Casing Pipe then insertion of 400mm GRP Pipe for sewage network underneath Adaghaythir Road in Riyadh.	Al-Sayegh Consolidated Company	NWC-RCBU	90 m	13/01/2015	07/02/2015	Completed
049	Supply & Installation of 34" steel Casing Pipe then insertion of DN350 GRP Pipe for sewage network underneath Ibn Hazim Road in Riyadh.	Seder Company	NWC-RCBU	26 m	07/02/2015	19/02/2015	Completed
048	Installation of DN 1600 RCJ Pipe Line for drainage at Al-Awali Makkah.	Yahia Omer Abdulmoatty & Parter Co.	Ministry of Water & Electricity	142 m	17/05/2015	12/08/2015	Completed
044	Installation of DN1200 RCJ Pipe Line with GRP pipe for potable water networks underneath Salbokh Road in Riyadh.	M&M United Co.	NWC-RCBU	320 m	21/01/2015	24/04/2015	Completed
043	Installation of DN1200 RCJ Pipe lined with GRP pipe for portable water networks underneath Abdullah Bin Jubir Road Crossing in Makkah.	Yahia Omer Abdulmoatty & Parter Co.	NWC-MCBU	90 m	11/12/2014	21/01/2015	Completed
041	Supply & Install DN34" Steel Casing, then insertion Dictile Pipe 600mm for sewage networks at Azeer Road, Exit 33, Riyadh.	Haif Company	NWC-RCBU	169 m	17/10/2014	26/11/2014	Completed

Project #	Project Name	Main Contractor	End Client	Executed Length (LM)	Start Date	End Date	Status
040	Installation of DN1000 RCJ Pipe Lined with HDPE for water network Liner at Section MH@-MH1 in Riyadh City.	Al-Sayegh Consolidated Company	NWC-RCBU	580 m	27/12/2014	31/05/2015	Completed
038	Installation of Ø76" Steel Casing pipe for portable water network at Exit 32, Jeddah Road in Riyadh City.	Nahadat Al-Emaar Co. (DONGO)	NWC-RCBU	246 m	27/09/2014	08/01/2015	Completed
037	Supply & Installation of DN34" Steel Casing pipe, then insertion Dictile Pipe in Riyadh city.	Cesra Company Limited	NWC-RCBU	55 m	17/09/2014	15/10/2014	Completed
036	Installation of DN34" Steel Casing pipe then insertion Dictile Pipe for portable water network in Riyadh city.	Saudi Lumat Co.	NWC-RCBU	136 m	27/12/2014	01/04/2015	Completed
035	Installation of DN1000 Concrete Pipe for portable water network in Makkah city.	Yahia Omer Abdulmoatty & Parter Co.	NWC-MCBU	87 m	10/08/2014	11/09/2015	Completed
034	Supply & Installation DN34" Steel Casing pipe, then insertion of DN300, DN400 GRP Pipe for water networks in Qassim city.	Mutlaq Al-Ghowari Co.	National Water Company	245 m	26/06/2014	16/09/2014	Completed
032	Installation of DN 2000 RCJ pipe then insertion of DN800 Ductile Pipe for water networks in Qassim city.	Al-Angari Holding Company	NWC-MCBU	93 m	02/05/2014	23/06/2014	Completed
031	Installation of 56" Carbon steel pipe then insertion of DN1000 ductile iron pipe underneath main roads for potable trunk line in Buraidah in Qaseem Region.	Abdullah Al-Saikhan Co.	Ministry of Water & Electricity, Water Directorate in Qassim	160 m	02/10/2014	11/12/2014	Completed
028	Installation of DN1000 RCJ-Lined with GRP pipe for sanitary sewerage networks in KM14 @ the districts of Mecca road, Adel, Montazehat & Jewhera in South Jeddah.	Emmar infrastructure Company	NWC-JCBU	493 m	01/06/2014	02/10/2014	Completed
027	Installation of DN30" Steel Casing pipe, then insertion of DN300, DN400 GRP Pipe for sanitary sewerage network in Najran.	Tojer Company	Ministry of Water & Electricity, Water Directorate – Najran	180 m	08/04/2014	29/05/2014	Completed
026	Installation of DN500, DN600 & DN800 RCJ Pipe-Lined with GRP pipe for house Connections in Old Makkah Road @ KM14 in Jeddah.	Ahmed Emara Co.	NWC-JCBU	1,625 m	15/08/2014	04/09/2015	Completed
025	Supply & Installation of 30" Steel Casing Pipe, then insertion of DN200 & 300 D.I. Pipe for portable water networks in Sharaei.	Saudi Lumat Co.	Ministry of Water & Electricity, Water Directorate– Makkah	137 m	01/03/2014	03/04/2014	Completed
024	Installation of 34", 56" of Steel Casing and Pipe and DN2000 RCJ as deep as 5 meters underneath main roads for potable trunk line in Buraidah in Qassim Region.	Abdullah Al-Saikhan Co.	Ministry of Water & Electricity, Water Directorate in Qassim	457 m	01/02/2014	24/09/2014	Completed
023	Supply and installation of 34" Steel Casing Pipe then insertion of DN 300MM Ductile Iron Pipe for sewage water supply networks underneath King Khalid Road in Riyadh City.	Saudi Lumat Co.	Ministry of Water & Electricity	100 m	04/01/2014	12/02/2014	Completed
022	Installation of DN700 RCJ Pipe line with GRP pipe for sewage water supply networks in Khamish Mushayet City.	Al Wajeeh Co.	Ministry of Water & Electricity	74 m	01/02/2014	20/02/2014	Completed
021	Installation of DN600 Concrete Pipe for sewage water supply networks Al-Amjad in Khamish Mushayet City.	Al Mashaf Alarabi Co.	Ministry of Water & Electricity	60 m	10/10/2013	15/11/2013	Completed
020	Installation of DN1000 Concrete Pipe for water supply networks scheme for Jeddah.	Consolidated Contractors Company	King Abdul Aziz International Airport –Jeddah	151 m	03/12/2013	16/02/2014	Completed
019	Installation of 34" Carbon Steel Pipe then insertion DN600mm Ductile Iron pipe for water supply networks scheme for the south villages in Qatif.	GEEMCO	Ministry of Water & Electricity, Water Directorate in Eastern province.	135 m	01/02/2013	28/02/2013	Completed

Project #	Project Name	Main Contractor	End Client	Executed Length (LM)	Start Date	End Date	Status
018	Supply and installation of DN2000 mm reinforced concrete jacking pipe without liner then insertion of DN1600mm GRP pipe underneath main roads for potable trunk line from Faisaliyah station to Braiman reservoirs in Jeddah City.	Al-Angari Holding Company	National Water Company - JCBU	1,301 m	15/06/2013	01/05/2014	Completed
017	Supply and installation of DN600 mm reinforced concrete jacking pipe-lined with GRP pipe for Sanitary Networks for Iskan & North-West Itwed in Khamees Mushayt in Asser Region.	Watad Al-Arabian Co.	Ministry of Water & Electricity, Water Directorate in Aseer	125 m	12/12/2012	20/02/2013	Completed
015	Installation of Carbon steel pipe then insertion of DN1000 underneath main roads for potable trunk line in Buraidah in Qaseem Region.	Abdullah Al-Saikhan Co.	Ministry of Water & Electricity, Water Directorate in Qassim	712 m	07/01/2013	06/11/2013	Completed
014	Installation of 56" Carbon Steel Pipe then insertion of DN800 and DN1000 Ductile Iron pipe underneath main roads for Potable Trunk Line for Hael City in Hael Region.	Mohammed Al-Ojaimi Co.	Ministry of Water & Electricity, Water Directorate in Hael	319 m	20/10/2012	15/03/2013	Completed
012	Supply and installation of DN700 mm reinforced concrete jacking pipe-line with GRP pipe for Sanitary Networks in South of Khamees Mushayt – 2nd stage – phase I. In Khamees Mushayt in Asser Region.	Al-Wajeeh Co.	Ministry of Water & Electricity, Water Directorate in Aseer	75 m	29/09/2012	11/12/2012	Completed
008	Installation of DN600 mm poly-crete pipes for main Sanitary Pipelines in Yanbu Pump station (Phase 3) – MTY5.	Krimmley	Ministry of Water & Electricity, Water Directorate in Madinah	1,387 m	16/12/2011	15/02/2013	Completed
005	Installation of DN500, DN600, DN700 reinforced concrete pipes with GRP pipe for Sanitary Sewage in Azeer.	Attiyah Abdullah Ziadi Al-Zahrani	Ministry of Water & Electricity, Water Directorate– Aseer Branch	317 m	23/06/2011	15/12/2011	Completed
003	Installation of DN500, DN600 and DN700 mm reinforced concrete pipes for Potable Water & Sanitary Sewage in Makkah.	Al-Angari Holding Company	Ministry of Water & Electricity, Water Directorate– Makkah	474 m	07/12/2010	06/07/2011	Completed
002	Installation of DN600 mm poly-crete pipes for main Sanitary Pipelines in Yanbu Pump station (Phase 3).	Krimmley	Ministry of Water & Electricity, Water Directorate in Madinah	1,305 m	16/09/2009	15/08/2010	Completed
				42,173 m
